

IMPORTS AND EXPORTS

==> Imports are the goods and services that are purchased from the rest of the world by a country's residents, rather than buying domestically produced items.

==>Exports are goods and services that are produced domestically but sold to customer residing in other countries.

==>Gross domestic production(GDP) :-Import and export plays a major role in (GDP)Gross domestic production.

==>From past ten years the value or trade of imports and exports is gradually increasing.(as shown in presentation)

BASICS TERMS TO KNOW:

==>Authorised capital :- Authorised capital is the maximum amount of share capital that the company is authorised allocated shareholder.

==>Foreign direct investment(FDI) :-Foreign direct investment is an investment made by a individual in one country into business interests located in another country

==> Generally, FDI takes place when an investor establishes foreign business operations or acquires foreign business assets in a foreign company.
